

Greetings!

We cordially invite your organization to participate in the 1st Annual Cosplay Ball, to be held this March 18th, 2017, in Keene, NH at the Best Western Hotel Ballroom. Come join us for a night of glamour, artistry, live entertainment, contests, and more, as we celebrate this unique genre.

This event is being hosted by the Steampunk Society of Vermont, a nonprofit organization based out of Springfield, VT. Their mission statement centers around a strong dedication to the education and promotion of the region's mill cities and the evolution of the industrial era into the various subcultures represented in the art form of "cosplay," Steampunk being one example. As you may know, cosplay has become an extremely popular source of adult entertainment across the world, with people gather by the thousands to represent their favorite historical, pop culture, or literary icons at various conventions. The Steampunk Society of Vermont, also producers of the annual Springfield Vermont Steampunk Festival, recognize the demand for this style of entertainment across Vermont and New Hampshire. The nonprofit has chosen Keene, NH, an area well known for its support and contributions to the arts, as the home for this wonderful ball. The event is already garnering interest from all over New England, and tickets are expected to sell out within the first several days of going live on February, 1st, 2017.

The Steampunk Society is offering up several beneficial sponsorship packages that we believe may be of interest to your organization. They are heavily laden with advertising opportunities, as well as multi-event ticket opportunities. Proceeds from this event help fund the Steampunk Society's mission of regional education and arts exposure including a scholarship fund. This annually awarded scholarship will provide a high school student pursuing post-secondary education in any of the S.T.E.A.M subjects (Science, Technology, Engineering, Arts, and Mathematics), a financial reward in support of their education.

Please review the attached documents and feel free to reach out with any questions. We would be happy to speak more about sponsorship, advertising, or vendor opportunities with any of our annual events, and appreciate your time and interest. All donations are fully tax deductible, and our nonprofit ID is available upon request.

Sincerely,

Jennifer Ucci
