

Steampunk Society of Vermont STEAM Scholarship Application

Application Guidelines:

1. Applicants must be Springfield, VT students, graduating in Spring of 2019, with plans to study one or more of the STEAM subjects (science, technology, engineering, arts, mathematics) post graduation.
2. Applicants must be accepted in an institute of higher education (college, trade school, tech school, or STEAM-related program offering college credits) for the Fall of 2019 to receive scholarship funds. Scholarship applications may be submitted prior to acceptance in a STEAM program, however acceptance into said program is required to receive funds.
3. To receive funds, students must provide proof of acceptance in a STEAM program. Scholarship funds of \$1000 will be paid directly to the student at that point.
4. Applicants must submit a completed application on or before May 30th, 2019.

Name of Applicant: _____
